**ABX AIR LAUNCHES ABX EQUIPMENT & FACILITY SERVICES (AEFS)
AEFS Division Specializes Builds on 25 Years in the Industry**

WILMINGTON, OH – August 4, 2009 – In a move to leverage 25 years of experience maintaining the largest privately owned airport in the country, ABX Air launched a division that will specialize in airport ground support equipment maintenance, large facility maintenance and more.

“This Division represents a wealth of skill and expertise in the maintenance and repair of equipment and buildings,” said John Graber, President of ABX Air. “ We have provided excellent reliability for time-critical operations – keeping vehicles and material handling systems running smoothly.”

ABX Equipment and Facility Services (AEFS) will offer a variety of services to airports, airlines and other multifaceted facilities, including:

- Facilities Operations Support Services
- Facility Maintenance & Service
- Fleet Services & Repair
- Ground Support Equipment (GSE) Leasing
- GSE Maintenance & Repair
- IT Services & Repair
- Material Handling Installations & Solutions
- Preventive Maintenance Programs
- ULD Assembly and Repair

“We know we have depth of skill in these areas and we can offer that expertise to others,” said Gary Stover, Vice President of AEFS. “ We can allow businesses to focus on their core business while we maintain the ancillary items they need to keep their operation and facility going.”

Currently operating out of the Wilmington Air Park, AEFS has shop and floor space for repair of equipment. Due to recent business restructuring, AEFS has a surplus of well-maintained equipment available for immediate lease.

“With all the experience at AEFS, this division has hit the ground running,” added Stover.

AEFS

A division of ABX Air, ABX Equipment and Facility Services (AEFS) is an established provider of airport support services. AEFS has over 25 years of experience in facilities maintenance, material handling equipment installation and maintenance, equipment/vehicle maintenance and repair, to provide exceptional service and meet a diverse range of customer needs.
