

JUDY ANDERSON
Managing Director, LGSTX Fuel

Management

Judy Anderson currently is the Managing Director for LGSTX Fuel Management.

Judy Anderson brings over 30 years of aviation fuel management experience to LGSTX Services. Her aviation career began at Flying Tigers in 1975 where she held various management positions in Fuel Purchasing. In 1985, she joined BAX Global's senior management team responsible for the development and implementation of a North America hub and spoke operation. While at BAX Global and later at Air Transport International her responsibilities encompassed fuel purchasing, fuel farm and into plane service management, deice and hedge management and airport affairs. Anderson joined the LGSTX Services family in 2006 as Managing Director.
