

TODD REED
Director of Business Development and Operations

Reed was named Director of Business Development for AEFS in June of 2008. He joined ABX Air in 1997 as Operations Manager for Airborne Logistic Services. During his 10-year tenure with Airborne Logistic Services, Reed held positions of Operations Manager, Warehousing & Distribution manager, and was the Director of Logistics Services for four years before moving to ABX Air's newly formed division of AEFS. Reed has 25 years of experience in operations.

While in his role as Director of Logistic Services for ABX Air, Inc. Reed led over 700 employees, operating in six facilities totaling in excess of 1 million square feet of operating space, servicing over 125 unique third party warehousing clientele ranging from FDA regulated medical surgical materials, electronics repair and diagnostics and apparel warehousing, embroidery and distribution.

Prior to joining ABX Air, Inc. Reed served for 10 years with PAC National Group a provider of packaging materials, supplies and warehousing services to several small package express companies within the United States to include United Parcel Service and Airborne Express. In the 3 years prior to departing PAC National Group, Reed held responsibility for all regional warehousing and distribution facilities as well as production operations in Ohio.
