

Gary Stover President

Gary Stover is currently the President and oversees LGSTX Services.

Stover was the driving force behind developing LGSTX Services, Inc. Identifying synergies and potential for revenue streams, Stover spearheaded the effort to spin off the new division to service a new customer base. LGSTX's expertise ranges from facilities maintenance, material handling equipment installation and maintenance, to equipment/vehicle maintenance and repair. LGSTX provides the highest levels of industry quality, cost controls, and overall best value for our clients.

Stover had previously held the positions of Vice President of Air Park Services, Sr. Director of Air Park Services, and Director of Organizational Development, all for ABX Air. Responsibilities including overseeing the operations for the largest privately owned airport in the United States, organizational development and restructuring.

Before coming to ABX Air, Stover was a District Manager for Wal-Mart Stores, overseeing multiple store operations throughout Southern Ohio. During his tenure at Wal-Mart, Stover received many accolades including Store of the Year, twice; and the coveted Sam Walton Leadership award recognizing outstanding leadership. Previously, Stover served in various other capacities for Wal-Mart.
